

## Databases for different organisations

Name:

- On the sheet below name four organisations that use databases. See the Example
- Now write down four fields (categories) that they might use in their databases.
- Now write down the data type for that field.

<u>Name / Type of Organisation</u>	<u>Field Name</u>	<u>Data type</u>	<u>Validation Rule</u> (Extension activity)
Zoo	Animal ID Number	Text	Field size = 6
	Animal Name	Text	Field size = 40
	Age	Number	<120
	Diet	Text
